SECTION 00

Who We Supply

Your partner for tactical outdoor product systems

ShineTrip provides a **full-range tactical outdoor product system** designed for retailers who want to build a complete camping category — not just SKU-by-SKU purchasing. Our modular approach means consistent visual identity, factory-direct pricing, and multi-category expansion capability.

-  **Car Camping Retailers**
-  **Overlanding & Outdoor Specialty**
-  **Independent Outdoor Gear Shops**
-  **Tactical Lifestyle Retail Concepts**

CORE VALUE

Why Partner With Us

 Modular Product System Not isolated SKUs — a complete ecosystem of chairs, tables, lighting, fire pits, storage, and accessories that work together visually and functionally.	 Strong Visual Identity Tactical / military / outdoor fusion aesthetic that stands out on retail shelves and in social media content.
 Factory-Direct Supply Direct from China manufacturing base. No middlemen. Competitive wholesale pricing with reliable replenishment.	 Multi-Category Expansion Start with chairs and grow into lighting, cooking, and accessories — all under one cohesive brand system.

APPENDIX

Pricing Positioning

For buyer reference — estimated US retail price ranges

SEGMENT	USD RETAIL RANGE	PRODUCT TYPES	STRATEGY
ENTRY	\$10 – \$30	Lights, cups, small accessories	Traffic & trial orders
CORE	\$30 – \$90	Chairs, tables, mats	Revenue & repeat orders
MID	\$80 – \$150	Performance chairs, upgraded lighting	Margin & enthusiast appeal
PREMIUM	\$150 – \$300+	Fire pit, lantern system, flagship table	Brand identity & high margin

Note: Estimated US retail prices based on standard 3x–4x markup from factory-direct wholesale cost. Actual pricing determined by retailer.

"Tactical Outdoor Product System Manufacturer"

ShineTrip is not a single-product supplier. We enable retailers to build a complete tactical camping category with consistent visual identity, modular product expansion, stable factory supply chain, and multi-tier pricing strategy.

NEXT STEPS

How to Get Started

Our recommended buyer onboarding flow

1

Review & Select
Browse sections 1–5. Identify categories matching your store concept and customer base.

2

Request Quote
Tell us which SKUs and quantities interest you. We provide wholesale pricing and lead times.

3

Trial Order
Start with a mixed-category trial order. Test market response before scaling.

Ready to Discuss?

We are currently opening new retail partnerships across North America. Contact us for wholesale pricing, MOQ details, and shipping options.

ASK YOUR BUYER ONE QUESTION

"Which category is your current focus for outdoor expansion?"
